

Dossier Tier 1 Test Document

This PDF exists to verify Dossier's real-text extraction path.
Search keyword for FTS5 testing: FALCONBRIDGE9142.

Every word on this page should be extractable as plain text,
not flagged as image-only. If this shows up correctly in the
Documents list with readable extracted text and no image-only
warning, PDF text extraction is working as designed.

Generated 2026-07-23 as part of the Dossier Tier 1 manual
